TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Conference Committee Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 67 (Senate Bill No. 67) entitled:

AN ACT

To repeal sections 67.320, 476.083, 534.350, 534.360, 535.030, 535.110, and 535.160, RSMo, and to enact in lieu thereof ten new sections relating to courts.

I disapprove of Senate Bill No. 67. My reasons for disapproval are as follows:

Like House Bill No. 799, Senate Bill No. 67 would authorize more court fees to fund an array of local capital projects. In doing so, it continues what has evolved into a regular legislative exercise of imposing additional court fees. Local capital projects should be funded through existing local revenues or, with voter approval, new revenue sources rather than through a back-door tax in the form of court user fees. For that reason, Senate Bill No. 67 cannot receive my support.

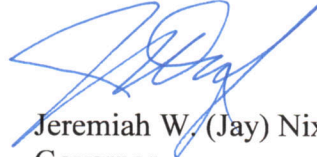

Senate Bill No. 67 would authorize new court fees and expand existing court fees in specific judicial circuits to be used by jurisdictions identified in the legislation. These new and expanded court fees, ranging from one to fifty dollars, would be in addition to the myriad of court fees already imposed in criminal and civil cases across our state. Moreover, these court fees would not be limited to state courts. Senate Bill No. 67 would authorize these fees be imposed on many county and municipal ordinance violations. The cumulative impact of these court fees is harmful to those that find themselves involved in court proceedings and could pose a barrier to court access for civil litigants.

The proliferation of excessive court fees is recasting the role of the courts into revenue generators for special projects. Court fees and surcharges should not be used as an alternative form of taxation. If a local government wants to raise revenue for its building projects, that question should be submitted to the voters for their approval rather than using the courts as a back-door revenue source. The increasingly common practice of looking to the courts to raise funds must stop. I previously approved Conference Committee Substitute for House Committee

Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 5 based on the belief that our courts should serve justice rather than generate revenue, and for those reasons the court fee increases in Senate Bill No. 67 will not receive my approval.

In accordance with the above stated reasons for disapproval, I am returning Conference Committee Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 67 without my approval.

Respectfully submitted,

Jeremiah W. (Jay) Nixon
